

Management of Medical Care (STRCTR-788)

Course Length

4 hours (½-day)

Objective

This course is intended to meet the Management of Medical Care training requirements of 46 CFR 11.305(a)(3)(ix); 11.307(a)(3)(ix); 11.311(a)(3)(vi); 11.313(a)(3)(vi); and 11.315(a)(3)(ii) and Table A-II/2 of the STCW Code as amended: Organize and manage the provision of medical care on board. The practical assessments conducted in this course are the equivalent of the following assessment from the National Assessment Guidelines for Table A-II/2 of the STCW Code as amended and meets the requirements of Task 19.1.A, Task 19.2.A and Task 19.3.A listed in NVIC 10-14.

Each student who successfully completes this course will be knowledgeable of and have proficiency in Management of Medical Care and meeting this requirement for the following areas:

- Medical Publications
 - International Medical Guide for Ships
 - Medical First Aid Guide For Use in Accidents Involving Dangerous Goods
 - Radio Medical Advice
- International Code of Signals Publication 102 (Medical Section) For Ships

This Course is USCG Approved and STCW Compliant. The course certificate will state:

“Any applicant who successfully completes our Management of Medical Care (STRCTR-788) course will satisfy the Management of Medical Care training requirements of Table A-II/2 of the STCW Code, as amended 2010; and 46 CFR 11.305(a)(3)(ix); 11.307 (a)(3)(ix); 11.311(a)(3)(vi); 11.313(a)(3)(vi) and 11.315(a)(3)(ii). The specific tasks from the National Assessment Guidelines found in NVIC 10-14; Tasks 19.1.A, 19.2.A, and 19.3.A. Applicants who have successfully completed this course need not present completed “Control Sheets” for these assessments in application for STCW certification.”

Scope

This is a classroom course that is intended to meet the Management of Medical Care training requirements for raise of grade to Chief Mate (management level) as listed above in the USCG Approved and STCW Compliant Course Certificate section.

Entry standards/Prerequisites

This course is open to students who have a need for such training as required by the United States Coast Guard and STCW as amended. Each student should have at least an STCW Certification as an “Officer-in-Charge of a Navigation Watch”, or have an equivalent and experiential background, be in good physical health and speaks and understands English.
