

Marlinspike Seamanship (STRCTR-280)

Length 5¼ hours (1 day)

Objective

Upon completion of the course the student will have successfully demonstrated knowledge of and ability to make the principle knots, bends, splices, and hitches in common use by Able Seaman.

This Course is USCG Approved and STCW Compliant. The course certificate will state:

“Any applicant who has successfully completed our Marlinspike Seamanship course and who presents their Certificate of Training within one year of the completion of training, will satisfy the practical (knot tying) examination requirements of 46 CFR 12.05-9 for any Able Seaman endorsement.”

Scope

This course is intended to meet training requirements as listed above in the USCG Approved and STCW Compliant Course Certificate section.

Entry standards

This course is intended to meet training requirements as listed above in the USCG Approved and STCW Compliant Course Certificate section.
