## Tractor Tugs

**Length** 40 hours (5 days)

**Scope**

This course is intended to meet the requirements of all common tractor tug operations for ship assists and escort.

**Objective**

The objective of the course is to provide the student with training in tractor tug operations and capabilities.

**Entry standards**

The course is open to anyone in need of such training. It is best suited for persons with a background in shiphandling or conventional assist tug operations.

**Teaching Facility**

STAR Center, Dania Beach, Florida
